Is there any other information we should know? _____

Health Notice

Please complete a self-check of your child before attending the program.

It is our top priority to ensure the health and safety of our students and staff. To ensure health protocols, families must screen their children daily for any COVID – 19 symptoms and keep them home if they are sick or have close contact with anyone diagnosed with COVID-19. All staff, students, and parents will be required to screen themselves before entering the program building. There will be sanitizer for hand cleaning upon entry.

All students and our staff must conduct an active health screening self-assessment before coming to the program with the following questions:

Do you have any of the following symptoms (new or worsening):

- Fever or Cough
- Difficulty Breathing
- Sore throat, trouble swallowing
- Runny nose or red eyes
- Loss of taste or smell
- Not feeling well, tired or sore muscles
- Nausea, vomiting, diarrhea
- Have you returned from travel outside Canada in the past 14 days?
- Have you been in close contact with someone who is sick or has confirmed COVID-19 in the past 14 days without wearing the appropriate PPE?

If you answered **yes** to any of these questions, please stay home; self-isolate right away; and call Telehealth or your health care provider to find out if you need to be tested. For more information about testing, please visit www.toronto.ca/home/covid-19/

- I would like to receive periodic emails to find out more about LEGO® Birthdays, Camps, Holiday Programs, Events, and Corporate LEGO® Building Programs for Lunch and Learns & Teambuilding

We will be taking photos/video of the students and of the structures created. The pictures/video will be used to promote the program at other schools and will not contain any names of the children whatsoever. The pictures/video will not be distributed to any outside sources and will remain the property of Creative Club Global.
