Health Notice

Your child will be at home for the online programs so no health check is required to enter a location. However, we recommend that all participants complete a self-check before participating in the program. If you are using any of our robotics sets, please DO NOT use the equipment if you are feeling ill.

It is important for all our students and staff to conduct an active health screening self-assessment before participating in the program and using our materials. Please ask the following questions:

Do you have any of the following symptoms (new or worsening):

- Fever or Cough
- Difficulty Breathing
- Sore throat, trouble swallowing
- Runny nose or red eyes
- Loss of taste or smell
- Not feeling well, tired or sore muscles
- Nausea, vomiting, diarrhea
- Have you returned from travel outside Canada in the past 14 days?
- Have you been in close contact with someone who is sick or has confirmed COVID-19 in the past 14 days without wearing the appropriate PPE?

If you answered **yes** to any of these questions, please self-isolate right away; and call Telehealth or your health care provider to find out if you need to be tested. For more information about testing, please visit www.toronto.ca/home/covid-19/

- I would like to receive periodic emails to find out more about LEGO® Birthdays, Camps, Holiday Programs, Events, and Corporate LEGO® Building Programs for Lunch and Learns & Teambuilding

We will be taking photos/video of the students and of the structures created. The pictures/video will be used to promote the program at other schools and will not contain any names of the children whatsoever. The pictures/video will not be distributed to any outside sources and will remain the property of Creative Club Global.
